## **The IMBA Student Association Newsletter**

---

### **Welcome Back!** **(or to your respective host countries,** **for all the first year language trackers)**

Student Association would like to welcome everyone returning to Columbia after the winter break and also say good luck to everyone else as they begin their time abroad. We are hoping that everyone has a great semester and to that end, we have a number of events in the works.

First off we are planning another cultural dinner! This one will be in honor of Chinese New Year and will be coming up in the coming weeks. For everyone that attended the Indian cultural dinner you know that it will be a night of great food and fun!

In addition to the dinner a few of the other events we are planning include:

- A Carolina Cup event
- A Texas Hold'em Tournament
- Our Graduation Party!

We are looking forward to a great semester and hope to see everyone out at these events before we all scatter to the corners of the Globe to begin our wonderful new careers!

### **Congratulations Rick and Ritu!**

Rick Rowland got married on January 5th, 2007 in India and several of our classmates were able to make the trip and celebrate with Rick and Ritu.
